CultureGrams

<u>Overview</u>: CultureGrams helps researchers discover the world with concise cultural and statistical snapshots of every country recognized by the United Nations –from Afghanistan to Zimbabwe. (http://online.culturegrams.com/)

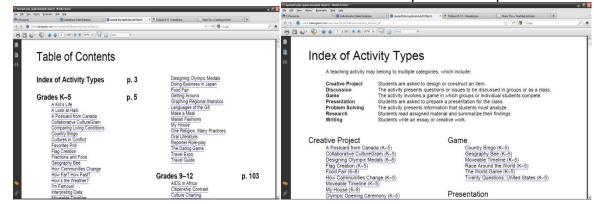

Remote Access Login: For at home passwords ask your school librarian

Tutorials are found here. There is a short 2 minute quick video tutorial that provides a very brief overview of how to use the database. There is also a full training tutorial. If you have issues playing this video back just let it preload.

Teaching activities pdf - see below

Activities are listed by grade level and activity type, click on the activity you want and it will take you to that activity within the pdf.

Kids Edition: Grades 3 - 7

 has photos, videos, slideshows, interviews, famous people, recipes, flags, graphs/tables (very important feature)

• coloured boxes on the left side bar contain links to various key information about the country or province

- audio is available to hear the name of the country spoken by a native speaker and the national anthem
- flags and maps have downloadable images
- all images are available for student use and have a built in citation creator
- slideshows can be used for student presentations
- recipes can be printed and used for end-of-project celebrations...
- graphs and tables can be created to compare important cultural aspects of several countries in either graph or text format
